I. Mission Statement

The Chester Public Library serves the rural community of Chester, New Hampshire. The contents of the collection change as often as required to keep up with technology and the demographics of our patrons. We pride ourselves on having something for everyone in town from our youngest patron to our oldest. We are constantly evolving and hope to continue to be an integral part of Chester's future.

II. Objective

The general objective of the Chester Public Library shall be to provide the inhabitants of the Town of Chester as extensive and high quality services as possible, consistent with the size of the library and the funds allotted to the Library at the Town meeting and by the Trust Funds available.
